Dear Students and Parents,

January 29th, 2018

February marks the 25th anniversary of the opening of Midtown Martial Arts in Elburn. As you may know, I am opening the doors for an “open house” for students and parents to come and celebrate with Cameron and Me. Midtown has been our second home since 1993 and 1995, the times that we both enrolled. The school holds many wonderful memories that we hope we can share with you, and maybe make some of your own.

We’ve been getting some questions as to how our celebration will be proceeding. I trust this will answer your questions.

The open house will be at NOON on Saturday, February 10th.

There WILL BE CLASS from 11am to Noon. If you arrive early, you MUST wait in the hallway for class to be dismissed. (There will NOT be Modern Arnis class from noon to 12:45)

Pizza will be served at Noon. Cake will be served at 1pm.

Although this is to be a fun celebration, we will still be in the Dojang (training area / classroom) and the Dojang rules still apply. There will be no goofing off and I expect respect and discipline within the school and hallway.

I want to take a group photo of any/all students that would like to be in it. You do not have to wear your uniform to the party. But, you must BRING your uniform to change into, and wear it for the picture. Also, if any black belt would like a new portrait photo for the wall, this will be the time to take it.

We will start to wrap things up around 2pm. But, I would love for you to attend, get to know Cameron, the other black belts and Me a little better and share any stories you may have of the school, Community Center, Elburn, or Grand Master Temmerman if you were fortunate enough to know him.

I hope to see you there.

Sincerely,

Master Kimberly Cote
