Dear Students and Parents,

With summer fast approaching, I want to talk about a change to our class schedule. Midtown maintains the regular schedule throughout the summer time and I do not close down for a break or vacation. However, this year I will be ADDING a morning class on Tuesdays for the KIDS. This will simply be an additional time available and will count towards one of your three classes per week. Hopefully this gives you a little more flexibility for your evening plans for home. This Tuesday class will start on June 8th and the last day will be July 27th. Class time will be from 11a – 12p noon.

I would like to congratulate all of you on your recent belt promotions! Not only were there many of you receiving yellow, green and some upper color belts, there were several black belt USNTF and Kukkiwon promotions. A special congratulations to Nancy Long, Karl Stough, and Kathryn Stough for testing for their 5th Dan Master ranks with the USNTF. Logan Thome also tested for his 5th Dan Kukkiwon rank for certification in Korea. They have put in YEARS of hard work to earn those ranks, and I hope that you can see their example and stay on the path of learning and self-improvement by continuing your Martial Arts training.

The next Color-Belt promotion test is scheduled for Friday, July 16th.

Lastly, please remember that the Community Center has other tenants. So, I ask you younger students that before and after classes please keep your voices lower and do not run in the halls or stairwells, or play with other lockers that do not belong to us. We must show respect for our neighbors, as we expect the same from them.

Thank you all, and continue the hard work!
